- **All allergen information** must be shared for packed food to **comply with food hygiene and allergy management at the setting**
- Parents must supply any **required consumables** as directed by the nursery (nappies, wipes, nappy cream, formula etc)
- Events, Celebrations and outings are not included, and participation would incur additional charges, or alternative arrangements can be made.

**For availability and further details, please speak to nursery management.**

### Additional Information: Nursery Fees & Funding

- **Early Years Funding Limitations:** Government funding does *not* cover the cost of meals, snacks, consumables, additional hours, services, or extra activities.
- **Meals & Snacks:** All meals are freshly prepared on-site each day. Children receive a balanced breakfast snack, midday meal, afternoon tea, and additional snacks. Our menus are nutritious and avoid excessive fat, sugar, salt, artificial preservatives, and colourings.
- **Allergy & Dietary Requirements:** Because food is prepared and cooked on-site daily, we can cater for individual dietary needs and allergies with care and flexibility.
- **Non-Food Consumables:** This includes items such as wipes, sun cream, nappy cream, Calpol (if not provided by parents) and resources used for activities beyond the basic EYFS curriculum.
- **Events, Celebrations & Outings:** In addition to cultural celebrations embedded in our EYFS curriculum, we host a variety of special events throughout the year—such as stay-and-play sessions for mothers, fathers, and grandparents, children's parties, our Christmas concert, and outings to places such as the museums, the Literature and Science Festivals, the fire station etc. A small daily charge is applied to cover the cost of these activities across the year.
- **Additional Hours & Non-Funded Days:** Any hours beyond your child's funded entitlement, including non-funded days and holiday periods, are chargeable.
- **Shared Funding:** If you are splitting your child's funding between multiple settings, please inform us so we can ensure accurate claims.
- **Fee/Funding Structure:** Due to increased number of events, outings, celebrations and consumption of food and, therefore, cost associated with 3+ year olds, the Meal & Snack and Events celebration and outings charges are higher for 3+ age children.
- **How to Apply for Funding:** For details on eligibility, application deadlines, and how to apply, please visit:
